Kidz Clubhouse grateful for contributions for fence

Submitted

Kidz Clubhouse is pleased to announce the completion of our new four-foot residential-grade aluminum fence surrounding the daycare property. This project replaces the aging chain link fence and provides a safer, more secure, and more visually appealing outdoor space for the children in our care.

We are incredibly grateful for the support that made this improvement possible. The new fence not only enhances safety but also adds to the overall look and feel of our facility, creating

a welcoming environment for families and strengthening pride in our local community.

Kidz Clubhouse remains committed to providing high quality childcare for families across Grant County,

and improvements like this help ensure that we continue offering a safe, dependable, and nurturing space for local children.

This project was made possible through funding from the Grant

County Community Foundation, as well as generous contributions from Dakota Community Bank & Trust, Elgin Lions and WRT.
