**REQUEST FOR PROPOSALS TO PERFORM
CONSTRUCTION ENGINEERING SERVICES FOR GRANT COUNTY**

BRJ-0019 (025), PCN 23710, Bridge replacement of Bridge No. 19-109-26.0, with new structure No. 19-109-26.1 in Grant County, ND located on 72nd Ave SW located 2 miles east and 2 miles south of New Leipzig, ND.

Grant County will engage the services of an engineering firm to perform Construction Engineering on the following projects in Grant County scheduled to be completed in 2026 and 2027:

BRJ-0019 (025), PCN 23710 consists of the removal of Structure No. 19-109-26.0, the installation of a new 211 foot 3-span bridge prestressed girder bridge along side of the existing bridge 2 miles east and 2 miles south of New Leipzig, ND in Grant County, ND.

Work to be performed by Consultant includes:

Construction Services: Perform Project Management, Project Administration, Construction Observation, Surveying, and Material Testing. The NDDOT CARS program must be used for all construction records. Additional services, if required, may be negotiated and supplemental agreements will be issued based on the consultant's performance, the consultant's proposal and available funding.

Firms are invited to submit a proposal for the project listed above. The proposals shall provide the following information:

- Past performance
- Ability of professional personnel
- Willingness to meet time and budget requirements
- Location
- Recent, current, and projected workloads of the persons and/or firms
- Related experience on similar projects
- Recent and current work for the County
- Project understanding, issues & approach

The proposal pages shall be numbered and must be limited to 5 pages in length. Proposals that exceed the 5 page length requirement will not be considered. The cover letter will not be counted as one of the 5 pages. The proposal should list the personnel who will be assigned to work on the projects, including titles, education and work experience. Grant County will only consider proposals received prior to NOON MST on April 17th, 2026. Late proposals will be deemed unresponsive.

The consultant's proposal may include an appendix. Resumes, references, a statement of qualifications and other materials outlining experience may be included in an appendix. The appendix will not be considered as a part of the 5-page proposal. Each proposal will be evaluated by a selection committee.

Grant County will conduct interviews for up to three (3) of the most qualified engineering firms based on whose proposals most clearly meet the RFP requirements.

Fees shall be negotiated with the successful firm. If the fee cannot be agreed upon, the County reserves the right to terminate negotiations and negotiate with the second and third-ranking firms in order, if necessary, until a satisfactory contract has been negotiated.

All costs associated with the proposal shall be borne by the proposer. The County reserves the right to reject any and/or all proposals and to not award contracts for any and/or all projects.

Engineering firms interested in performing the work shall submit 5 printed copies and 1 PDF version of their proposal to:
