Because Dan Hein, living north of Wing, ND, mixed red beans with his wheat in his bin, J.J. Kraus, a neighbor, must serve 18 months in the penitentiary. To protect the grain in a bin a mile from his home, he mixed some red beans with it as a means of identification. When Hein discovered some of the grain had been stolen, he visited neighboring elevators and found the wheat with a few beans had been delivered by his neighbor. Kraus was arrested, confessed and sentenced 21 hours after Hein filed his complaint.

If the present plans are approved by the state railroad commissions of this state and Montana, the running schedule of the Ollie-Beach branch of NP will change. Under the proposed plan, a train would be starting out from Dickinson early in the morning, making the

run to Ollie, where the crew would remain for the night. The following day, the run would be made to Dickinson and would alternate in this matter.

Results of the North Country Rabbit Hunt were disappointing due to unfavorable conditions. A total of 270 jackrabbits were slain with the Harry Rilea team credited with 118 and John Barkland's team shooting 152. Jess Till was declared the champion, bagging 59 of the long-legged prairie donkeys.

Auditor Sperry stated that the Campaign Finance and Statement of Interest is due to the County Auditor by Jan. 31, 2026.

The last order of business for the day was to meet with Road Foreman Pete Wirtzfeld and engineers to discuss final details on the County Road 5 and County Road 11 Bridge replacement projects. Also a discussion was held on the proposed Highway 10 Bridge Replacement Project and the Hammond Bridge Replacement Project south of Golva. In Loving Memory of

LEON NOLL

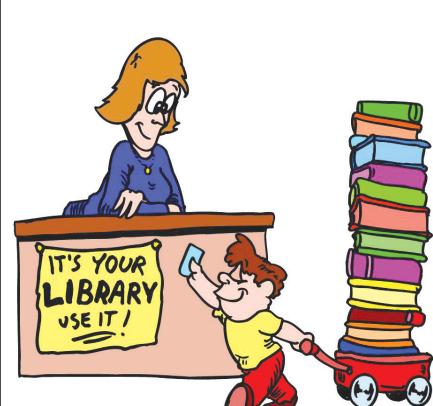

(January 5, 1968 -
January 13, 2022)

Because of him, our
own small world will
never be the same,

And our hearts are
filled with the love,
when people speak his
name.

But though his
face may not be seen
among us here today,
his love is felt in all
the hearts he changed
along the way.

Lovingly remembered
and sadly missed by
Jerry Noll and
