Lakota Cloverleaves 4-H Club news

BY MARGARET ESTVOLD
4-H club leader

Before our meeting on June 21, 2026, Alyson Parsley showed our members how to decorate sugar cookies for the 4th of July with royal icing. The kids all practiced before starting to outline the various parts of their cookies. And once the cookies were all outlined, they were shown how to fill in and flood the different colored areas of each of the cookies. Everyone was very creative and did a fabulous job on their five cookies.

After the decorating session was over, Siena called the Lakota Cloverleaves 4-H Club meeting to order. Pledges were

said. Roll call was: What is one thing you will be bringing to Achievement Day in July? Secretary and treasurer reports were given.

Old business: Finish selling Nelson County 4-H raffle tickets and return to Margaret or Brenda by June 29. Achievement Day is July 8; projects for ND State Fair are due July 9 by 3 p.m. to the Extension office. Highway cleanup will be September 13.

New business: Our next meeting will be in September. The meeting was adjourned.

Leah Pedersen did a demonstration on "How to Fold a \$1 Bill Into a Sword." We finished the day with some tasty snacks.
