A little inspiration for the week—You can't go back and change the beginning, but you can start where you are and change the ending.

IceDawgs excited for Future Changes

By Jessi Kjemhus

Club hockey is a favorite for many rural areas in North Dakota as school sponsored hockey tends to be an option only for larger schools. It provides countless athletes with the opportunity to play a sport they love in which they would otherwise not have an option to be apart of.

Mayville IceDawgs have spent almost a decade as an Independent league competing in a schedule mixed with club hockey and other independent teams across North Dakota and Minnesota. However, after a lengthy process including direction from coaches, board

ic director, a petition was filed requesting for Mayville IceDawgs to be included in the Eastern Dakota Conference, EDC.

The past week, it has been announced that Mayville IceDawgs will play the full East Region schedule by the NDHSAA! This means that they will have new matchups such as Red River, Central, Sheyenne, Grafton, Davies, and West Fargo and fewer games against Minnesota.

Congratulations to the IceDawgs on being named to the EDC for the upcoming season!
