

Michigan Post # 238 has four Veterans who received Quilts at their Post Meeting

By Judy Twete
Unit 135 Unit President

If good things come in small packages, then really big packages must be really wonderful! Really great things happened on April 14, 2026 in Michigan, ND at the monthly Legion Post meeting.

Four veterans were awarded a beautiful Quilt of Valor, again being created by the Home Bound Quilters. Each of the gentlemen were totally amazed at the beauty of the gifts and appreciated the quilts.

Those receiving quilts were: Rod Crommett, David Kalinoski, Keith Olson and James Shirek. Each of these veterans were so pleased.

Thanking them for their time of service, I again reminded them that they were all 'Still Serving America' with their continued service in the American Legion. Helping and giving assistance to veterans, serving military, their families and communities, by their continued membership in this great Service Organization.

The members asked about the possibility of giving a donation to the Home Bound Quilters and I reminded them that each of the six ladies involved in creating these works of art, do it from their own funds and time. Donations would be much appreciated.

Again with a full heart, for being able to present veterans these beautiful quilts, I say, "Thank you for this opportunity!"

Keith Olson

David Kalinoski

James Shirek

Rod Crommett
