2. Body of Water(s) for Finding of Navigability

The Department solicited a study of the Waters for their potential for being used for commerce, or susceptible for being used for commerce, in their condition at the time North Dakota became a state (1889). Below is a summary of the preliminary navigability findings.

Bois De Sioux River

All portions of the Bois De Sioux River within the state of North Dakota.

Missouri River

All portions of the Missouri River within the state of North Dakota.

Mouse River

Each of the Waters will get at least 15 minutes and up to an hour of public comment, with a break from 12 PM to 1 PM central for lunch. Each waterbody will have a hearing open and closed in the order presented in this notice. If no members of the public in-person or virtual provide comment within a 15-minute period, the hearing for that particular waterbody will be closed and the next waterbody comment hearing will be opened.

4. Public Hearing Purpose

The purpose of the public hearing is to provide the public with an opportunity to provide comment to the Department on the draft determinations of navigability prior to making a final determination of navigability. The Department welcomes all comments that will aid in the Department's final determination of navigability on all segments of the Waters under consideration.

If a waterbody is determined to be navigable, the area within the ordinary high water mark of the navigable water body is held in trust by the State of North Dakota for the people of North Dakota.

5. Availability of Preliminary Finding Documentation

Analysis of Initiated Constitutional Measure No. 1
(Senate Concurrent Resolution No. 4007, 2025 Session Laws, Ch. 615)

Initiated Constitutional Measure No. 1 was placed on the ballot by action of the 2025 North Dakota Legislative Assembly with passage of Senate Concurrent Resolution No. 4007 (2025 Session Laws, Chapter 610). If approved, this constitutional measure would amend and reenact section 9 of article III and section 16 of article IV of the Constitution of North Dakota, relating to requiring each resolution adopted by the legislative assembly proposing a constitutional amendment and each initiative petition and measure proposing a constitutional amendment to be comprised of a single subject. The proposed amendment would require constitutional amendments to be limited to one subject. The Secretary of State shall not approve an initiative petition for circulation if the Secretary determines that the proposed amendment comprises more than one subject. Additionally, the legislative assembly is required to limit proposed amendments to the constitution to one subject.

The estimated fiscal impact of this measure is none.
