June siren testing set

Due to the weather forecast, June Siren Testing is set for Tuesday, June 16.
On May 12, Barnes County began monthly testing of the disaster/storm sirens on the second Tuesday of the month at 2 p.m. The testing will run now until October.
An Everbridge message is scheduled to go out one hour before each test, and dispatch will have Facebook posts scheduled.

Dispatch will set off sirens for the following agencies: Valley City, page before setting off siren that it's a test, Fingal, Rogers, Sanborn, Dazey and Wimbledon.
All other agencies are responsible for setting off their own weather sirens during the test time. This is only for testing purposes. If your agency does not wish to participate, notify Sarah Miller at smiller@barnescounty.us to be removed off the check list.

Secretary of State: 20.84% voter turnout in primary election

BISMARCK — About 20.84% of eligible North Dakotans cast 125,101 ballots during the 2026 Primary Election as reported on election night. Election results will not be official until the state canvassing board meets later this month.
Unofficial results as of election night included 73,476 votes cast on election day, 17,287 ballots by early vote, and 34,338 absentee ballots. 41% of the total vote was cast during absentee and early voting. While 59% of the total vote was cast on Election Day. Unofficial results for contests and ballot measures can be found on the North Dakota Secretary of State election results website.

“Election night is always exciting,” said Secretary of State Michael Howe. “As results come in from across the state, citizens begin to learn who will lead their communities in the future. We are grateful for the 3,000 poll workers who helped make the 2026 June Primary possible. Without them, this statewide team effort would not happen.”
Election results will remain unofficial until county canvassing boards meet on June 22, and results are certified by the State Canvassing Board on June 24.
