Fireworks prohibited on WMAs, camping restrictions lifted for holiday

With Independence Day approaching, the North Dakota Game and Fish Department reminds outdoor recreationists fireworks on state wildlife management areas are prohibited.

The primary objective of a wildlife management area is to enhance wildlife production, provide hunting and fishing opportunities, and offer other outdoor recreation compatible with these objectives.

Activities that do not disrupt the intentions are encouraged, and fireworks are not compatible.

In addition, the department will lift the Tuesday-Wednesday no-camping restriction for the Fourth of July holiday week, which will allow overnight camping June 30 and July 1 on those WMAs that otherwise have this two-day restriction.

Deer lottery held, licenses remain

North Dakota's deer gun lottery has been held. More than 72,000 individuals applied for a deer gun lottery license, in addition to over 12,000 gratis applicants. The 2026 deer gun proclamation allowed for 39,100 deer gun season licenses.

More than 1,200 licenses remain. Only resident applicants who were unsuccessful in the lottery can apply online for remaining licenses beginning July 1, with a deadline of July 15.

Licenses will be mailed to successful applicants in early August.
