

Riehl Point of View

Gina Riehl

I am so thankful the temperatures are on the rise and again and praying we are done with that kind of cold for the year. It certainly was widespread reaching all the way south and east. I think only the southwest missed out on this one. The sun continued to shine most

of the week and no wind made it more bearable for me. Sometimes I feel I just have to close the curtains and pretend it's a beautiful day outside. Lots to be thankful for too that the electricity stayed on and roads were pretty good too.

I'm sure there is an announcement in the

paper but a reminder for the JW Froelich Benefit. Join us for an evening of basketball and fun to support the Froelich family on January 29th at the Flasher High School beginning at 5 pm CT. Boys Bulldog basketball ABC. If you would like to make a donation contact LINDSEY-BRAVENDER@K12ND.US or 701-596-3355

Happy birthday to our firstborn Samantha

Culliton. Happy birthday to Logan Loeb, Lee Fitterer, Woody Barth and Cody Deichert.

Welcome to February! Wow already finishing up the first month of the new year. *"Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God"*
