HISTORIC BRIDGE AVAILABLE FOR ADOPTION AND PUBLIC INPUT SOUGHT

Grant County, in cooperation with the North Dakota Department of Transportation and Federal Highway Administration, is proposing work on one bridge along 52nd Ave SW, south-southwest of St. Gertrude, ND. The Project Number is BRJ-0019(026); NDDOT # 23711.

1) Bridge 19-131-47.0 is a single-span, Warren, pony truss bridge constructed in the 1920s and relocated to the current location between 1957 and 1970. It is approximately 82 feet long and 21 ft wide (curb to curb). The bridge crosses Cedar Creek approximately 16 miles south and 6 miles west of St. Gertrude, ND. This bridge will be removed and replaced with a new bridge. Since this bridge is listed in the National Register of Historical Places, FHWA has determined that its removal constitutes an Adverse Effect on it, and for the project as well. Hence, public comment is sought on both of these Adverse Effect determinations.

Further, since this historic bridge could be relocated while maintaining historic integrity, it must be offered for adoption to any responsible state, local, or private entity willing to take over, relocate, and preserve the bridge at a new location (23 U.S.C. 144). Any entity willing to "adopt" the bridge would have to agree to maintain it and assume all future legal and financial liability, as well as liability for the structural integrity and safe use of the structure. The bridge needs to be relocated prior to road closure work, scheduled to begin in the 2026 construction season.

Any parties interested in adopting Bridge 19-131-47.0 or wishing to comment on the National Register and/or Adverse Effect determinations above should respond by February 14, 2026 to John Sauber Jr., PE/PLS, Project Manager, Sauber Engineering Inc., phone -(701)751-5993, email - jsauber@sauberengineering.com, or mail - 2401 46th Ave SE, Suite 110, PO Box 399, Mandan, ND 58554.

PUBLIC INPUT MEETING

Grant County and the North Dakota Department of Transportation (NDDOT) are hosting a public input meeting Tuesday, February 24, 2026 from 5:00 to 7:00 p.m., Mountain Standard Time to discuss proposed improvements to a bridge over the Heart River north of Carson, Project No. BRC-1927(065), PCN 23981.

The meeting will be held at the Grant County Fair Building, 310 South Main, in Carson. There will be an open house format with a formal presentation at 6:00 pm.

The project consists of replacing the existing bridge with a new bridge.

Representatives from Grant County, Sauber Engineering Inc. and the NDDOT will be on hand to answer questions and discuss concerns.

Project related information will be available on the Grant County website at www.grantcountynynd.com.

If unable to attend the meeting, written comments must be postmarked or emailed by March 11th, 2026 with "Public Input Meeting - PCN 23981 in the letter heading or e-mail subject. Send all comments to John Sauber, Sauber Engineering Inc PO Box 399, Mandan, ND 58554 or jsauber@sauberengineering.com

The NDDOT will consider every request for reasonable accommodation to provide an accessible meeting facility or other accommodation for people with disabilities. Language interpretation and translation services will be available upon request for this meeting.

To request accommodations, contact John Sauber, Sauber Engineering Inc. at (701)751-5993 or jsauber@sauberengineering.com. TTY users may use Relay North Dakota at 711 or 1-800-366-6888.
