It was a tough week for the Raiders facing two teams receiving votes in the state rankings. First up was the New-Rockford Sheyenne Rockets on January 27 in Drake. Down by 13 after the first quarter, the Raiders rallied and only let the Rockets outscore them by three in the next two quarters, helped in part by junior Brady Hauff's 12 second quarter points. Unfortunately, the Raiders ran out of gas in the fourth quarter, allowing the NR-S lead to grow from 16 at the end of the third to 35 at the final buzzer. The Raiders suffered a similar fate when they traveled to Mohall on January 30 for a district matchup against the MLS Mavericks. Once again, the Raiders were only able to score seven points in the first quarter, and once again were able to generate significantly more points in the following quarters, but it was no match for the 62% field goal shooting of the Mavericks, who broke the cen-

tury mark before the game ended. The Mavericks remain undefeated in District 6 while the Raiders stand at 1-5 in District 6 and 6-8 overall.

The Raiders will welcome Glenburn to Drake on February 5 and meet up with the class A Harvey-Wells County Hornets on February 6. The following week they will be in Minot on February 9 for a district game against Our Redeemer's.

Lady Raiders Come Close to Win over MLS

The MLS Mavericks must not have been ready for the aggressive defense of the Lady Raiders in the final regular season District 6 game for both teams. The Lady Raiders were able to hold the Mavericks to their second lowest scoring game of the season (Garrison held them to 33 points on Dec. 30) and 16 points below the Mavericks' season average. Drake-Anamoose led by one at the half but could not overcome their low shooting percentage to outscore MLS by game's end.
