
**City of Tappen
Regular Meeting June 8, 2026**

The meeting was called to order. Members present were Brice Barnick, Pete Martin, Mike Pfaff and Doug Kinnischtzke. Absent was Councilman Dale Dockter. The minutes were read and treasury report reviewed. Mike moved to approve as presented, with Doug seconding. All in favor. MC

Gravel has been hauled in to fill in/repair some streets that needed work.

Clean up of seemingly abandoned houses and unkempt properties was discussed. We discussed sending a letter. Brice will talk to our attorney and ask how to go about this. (Would the letter be better coming from our attorney?)

Our attorney will also be asked about our dog ordinance and if we should amend it to add vicious dogs or if the verbage we have is sufficient and

includes vicious dogs.

The bills were reviewed. Pete moved to approve, with Mike seconding. All in favor. MC

The board will get bids to take down and remove the band house.

The Tappen 150th plans to have a rummage sale over Harvestfest in the school. They asked permission to bring items in early. The board approved. If any motorized items are brought in they need to be stored in the shop until the rummage sale.

A public meeting to finalize the CDBG Fire Truck Grant will be held July 6, 2026, at 7:00 PM at the city hall. The regular monthly board meeting will follow at 7:30 PM.

Forty new folding chairs will be ordered. The city received gaming funds earlier for this purchase.

Being there was no further business, Mike moved to adjourn. Seconded by Pete. All in favor.

MCPayments Approved -6/8/2026
