The new speed signs are up. The board went over reports showing speeds and other information.

A new resident moved into town

with 2 pit-bull dogs. There are issues with the dogs getting out and causing problems. Example – They have chased a child riding his bike, jumped up and scratched children playing at the park and been in other people's property. Sheriff Barry Vannatta came to the meeting to discuss this with us. The resident will be sent a letter stating his dogs need to be tied up or kenneled. A copy of the ordinance will be included.

Overdue garbage and sewer bills were discussed.

The bills were reviewed. Mike moved to approve. Dale seconded. All in favor. MC

Terms were discussed for the bid to tear down and remove the band house and foundation, fill in with topsoil and level when done. The city reserves the right to reject any/or all bids.

Discussion was held on unkempt buildings/properties. Clean up letters will be sent.

Being there was no further business, Mike moved to adjourn.

Seconded by Pete.

All in favor. MC
